

LOTUS EXPERIENCE

Immerse yourself in the history-charged British brand that is Lotus with a visit to our world headquarters – the place where the glorious past meets the bright future.

Discover how our lightweight sports cars are built to order by hand with a comprehensive tour of our superb production facilities.

Experience the outstanding handling capabilities of the iconic Lotus Elise on our brand new FIA-approved test track.

Feel yourself beaming with excitement as you witness the power and agility of the award-winning Evora S when you set off into the depths of the Norfolk countryside behind the wheel of this immensely rewarding thoroughbred sports car.

A photo opportunity with the cars and your instructor concludes a truly memorable afternoon.
